

You may not want to shake our hand.

Unlike many other used car dealers, we want to make sure that the car you buy is in top condition. So we may be inspecting the brakes, changing the oil or doing a tune-up and getting a little dirty while under the hood. You see, we are experienced auto mechanics, not sales people.

So pardon us if our hands are a little dirty.
We'll offer a friendly smile instead ☺.

Where Satisfaction & Quality are Standard Equipment!
