# A quality presentation package is an investment in the future of your company.

## When quality counts, you can count on

### Pocket Folders

Single, Double, Vertical, Expandable, or Boxed Pockets; Mini, Three-Panel, Reinforced, or Double-Scored Spine Folders. We have them all. Whether you need to present a clean look or overstuff your folders, we have a shape and purpose for all of your pocket folder needs.

### File Tab Folders

Short, long, or folder length tabs. Left, right, single, or double pockets. File tab folders are your "take it with you" solution for organizing on the run or making a professional presentation. When filed, your brand will always be out on top.

### Packaging Mailers

We have different sized mailers for almost any type of document. Our packaging comes with self-sealing tape and quick-open tear strips. We also offer jacket and portfolio presentation mailers and holders with optional sealing methods.

### Portfolios

Whether you need a plain or fancy edged closing flap, portfolios work well in containing several pieces of collateral of almost every size and thickness. For filing or presentation, they are sturdy and versatile when you need to hold bulky materials in a professional manner.

### Binders

We've got you covered when it comes to durability. Standard 3-ring binders, reinforced edges, flat or box pockets, rings from 3/4" to 2-1/2" capacity. You'll also have a variety of finishes to choose from. Options from 18 pt. laminated, wrapped, vinyl, poly and mini-binders.

### Media Case Holders

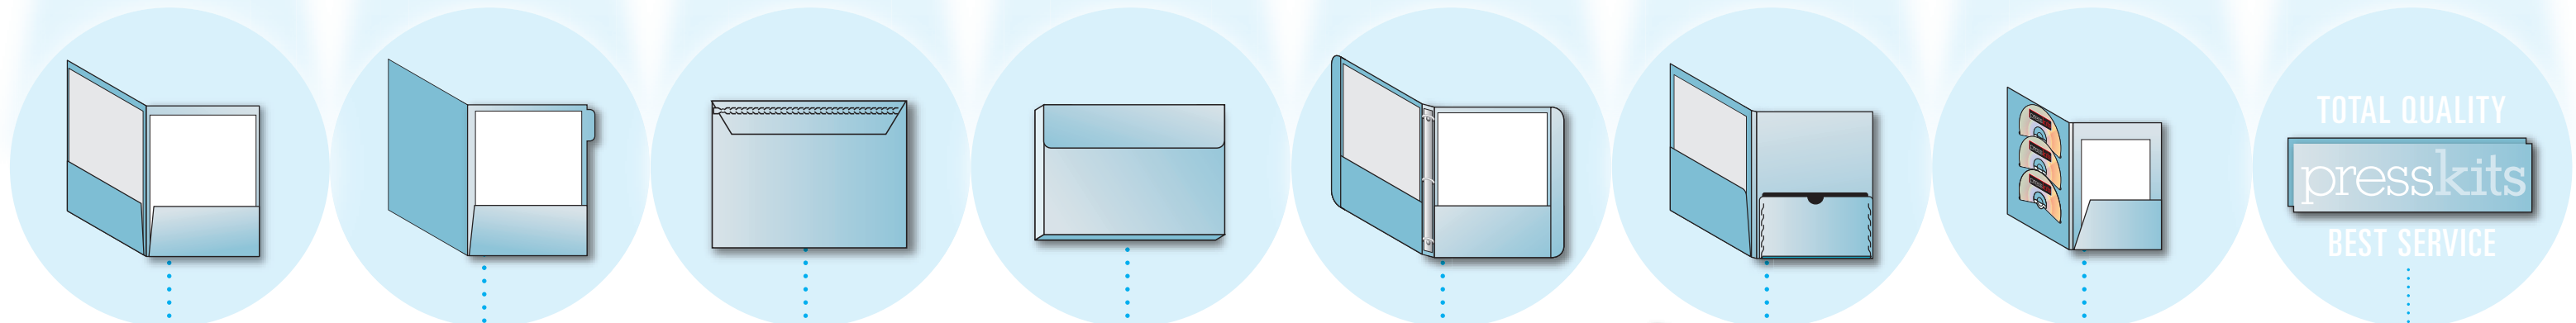

Our media pocket folders are designed for holding CD, DVD and VHS cases. Our cleverly designed expansion pockets grab and keep the item in place. There's no flopping around inside. There are styles for Amaray type cases, thin slim jim, round clamshell and regular jewel trays.

### CD/DVD

A very popular category, Presskits offers over a dozen CD/DVD packaging styles for your data, music or video. Our packaging offers solutions from 1 to 9 CD's or DVD's. Some styles hold full or slim jewel cases or Amaray style DVD cases. We also have mini-CD wallets.

### Complete Solutions

Presskits provides complete presentation and product solutions from CD/DVD duplication and silkscreening to stepped inserts, brochures and posters. Our expert staff can help put together complete media solutions for your project including fulfillment and distribution.
